

## Consent to Collect, Share and Use Data

Caterpillar's Data Governance Statement, together with Caterpillar's Global Privacy Statement and any applicable Privacy Notices for your digital offering subscriptions, describes Caterpillar's practices for collecting, sharing and using data and information relating to machines, products or other assets and their associated worksites—for example to enable Cat® Connect and other Digital Offerings. Defined terms in this consent have the meanings given in the Data Governance Statement. By providing your consent to the Data Governance Statement, Caterpillar and Caterpillar dealers will be empowered to provide enhanced support and services and powerful Digital Offerings to you.

## How to Withdraw Consent and Certain Other Matters

I understand that I may withdraw my consent to the ongoing collection of data and information by Caterpillar or my participation in Caterpillar Remote Services at any time, or make other related requests to Caterpillar, by contacting Caterpillar at CatConnectSupport@cat.com. Except to the extent prohibited by law, Caterpillar may continue to process data and information provided before your withdrawal, including any aggregated or de-identified data, following your withdrawal consistent with the Data Governance Consent.

If you transfer any Devices or Assets to another person or entity, you should (i) notify the next owner, leaseholder, user or operator of the terms of the Data Governance Statement and this consent and (ii) notify your dealer of the transfer.

The rights granted in this consent survive the termination or expiration of my subscriptions to any Digital Offerings. This consent is made notwithstanding any more limited rights granted in any other agreements or understandings (other than any written agreement with Caterpillar expressly referencing the Data Governance Statement).

By signing below, I certify that I am authorized to act on behalf the company I represent and that the choices indicated above reflect my choice regarding the acceptance of the Data Governance Consent and participation in Remote Services.
